Position: Part Time Worship Leader at Faith United Methodist Church

Position Description:

Faith UMC is looking for a Part-Time Worship Leader who will take full ownership of the worship arts ministry. Faith UMC is a community that values people over programs, and so we are looking for someone who not only has gifts for worship leading, but has a heart for the lost and broken. We are also looking for someone who can balance the needs of an older generation while making inroads to the next generation.

As a part-time position, we understand most candidates will have another job they work alongside this one, and so this position is very flexible and more about meeting the needs of the community than "putting in the hours".

The worship leader will be responsible for leading worship at Faith UMC on a weekly basis (50/52 Sundays per year) and will assist the Senior Pastor to find replacements on his/her weeks off. The worship leader will plan services in collaboration with the Senior Pastor.

The successful candidate will:

- Be experienced in contemporary worship, leading from either the piano or guitar, but also comfortable working with some traditional elements in worship (call to worship, the Lords Prayer, offertory)
- Be able to lead worship music of various styles (hymns, contemporary songs, etc.)
- Be a gifted vocalist
- Be aware of and affirm the beliefs and practices of the United Methodist Church
- Have a teachable spirit and a commitment to living and working in a Christ-like way
- Be gifted in leading people both spiritually and musically

- leading the music during the Sunday worship service at 10AM, as well as on special worship services throughout the year (Christmas Eve, Ash Wednesday, Easter, etc).

2. The WL will coordinate with media volunteer and administrative assistant to make sure lyrics are on screen and the songs and song order are in the bulletin.

3. The WL will be expected to be present at all staff and leadership meetings/functions (as long as they do not interfere with other vocational obligations) including

- Weekly checkin w/ the Senior Pastor (time/place flexible)
- Other relevant meetings (as they pertain to worship ministry)

4. The WL will be expected to occasionally plan special music in the service (solos, special music with the Music Team, instrumentals, etc.).

COMPENSATION:

-\$170 a week, plus extra for special services
